

**SITE ASSIGNMENT LIST**  
**PUBLIC AFFAIRS & INVOLVEMENT**  
**September 2013**

The following is a list of roles/responsibilities for the PAI Unit and site assignments. This list is not necessarily comprehensive. The categories listed here apply to Superfund site specific work.

Categories:

- 1 – Requires little work – mostly monitoring
- 2 – Some work – little public, media or Congressional concern; state/other fed. lead
- 3 – Moderate public/media/Congressional concern and/or site/project activity
- 4 – Considerable public/media/Congressional interest and/or site/project activity

Emergency Response (ER), State Lead (SL), Federal Facility (FF) and Site Assessment (SA)  
All other sites not designated ER, SL, FF or SA are Remedial Program sites.
